HEADLICE CHECK

Headlice is a common problem in all schools and childcare facilities. Because of the working environment of schools, when a child has headlice it quickly spreads to other students in the grade.

The best way to way to treat headlice in schools is to carry out headlice checks and identify students so parents can treat students immediately.

Local councils no longer offer schools a free service of headlice checks, but at Newport Lakes Primary we have trained staff to conduct headlice checks when the need arises throughout the year.

Permission is requested to allow trained staff to carry out these checks.

I give permission for trained persons to check my child’s head for lice/nits when required.

PHOTOGRAPH PERMISSION

At Newport Lakes Primary School we are very proud of our programs and activities and are keen to share what happens at our school with the wider community. At times throughout the year we have representatives from the media (mainly newspapers) taking photographs etc. in various aspects of the school’s programs.

It is a requirement that parent/guardian permission is given before children’s photographs can be taken for media requirements, displays, website, promotional events and/or published. Please indicate your willingness to allow your child to have his/her photograph taken for this purpose, if it should arise whilst a student at this school, by signing the permission section below. Only students first names, and not surnames, would be released for publication.

I give permission for my child to have his/her photograph taken and possibly published by the media in relation to Newport Lakes Primary School activities whilst he/she is a student at this school.
