

# Parents' Techie Brekkie - Wednesday 26<sup>th</sup> February

## WHAT WAS DISCUSSED

<p>FUSE Website</p>		<p>This website is run by the Department of Education and provides safe, easy to use resources for children. There are links for Early Childhood and Primary Students, and it is a great resource to use as an alternative to Google when researching online.</p>
<p>Parental Restrictions</p>	<p><i>Step-by-step instructions to follow in a separate document.</i></p>	
<p>Book Creator</p>	<p><b>Book Creator for iPad</b> By Red Jumper Studio Open iTunes to buy and download apps.</p>  <p><b>Description</b> The simple way to create your own beautiful iBooks, right on the iPad. Read them in iBooks, send them to your friends, or submit them to the iBooks Store. Ideal for children's picture books, photo books, art books, cook books, manuals, textbooks, and the list goes on.</p> <p><b>What's New in Version 3.0.1</b> Fixes a bug that can freeze the app on iOS 7</p> <p><b>iPad Screenshots</b></p> 	<p>This app allows students to become the authors of books that can be eventually read in iBooks on your iPad. Students can take photos, which can then be included in a book that they can write themselves. Fun, simple and easy to use - what more could you want?</p>
<p>Mathletics</p>	<p><b>Mathletics Student</b> By 3P Learning Open iTunes to buy and download apps.</p>  <p><b>Description</b> Mathletics Student is available as a free download to all mathletics.com subscribers and requires login credentials access.</p> <p><b>What's New in Version 1.6.1</b> **NEW FOR VERSION 1.6.1** i.Even more Mathletics curriculum activities are now tablet-ready ii.Minor bug fixes</p> <p><b>iPad Screenshots</b></p>  <p><b>Mathletics Website Screenshot</b></p> 	<p>All families at NLPS who purchased a book pack in 2014 have paid for a membership to Mathletics for the whole year. Mathletics is a website (and now also an app) that students can log in to and play maths games, learn key mathematical language, and compete with other students from around the country and around the world. Simply ask your classroom teacher for your child's Mathletics username and password, as these can also be used to log into <a href="http://www.spellodrome.com.au">www.spellodrome.com.au</a> This website is just like Mathletics, but provides spelling activities instead.</p>
